

Dear Blessed Sacrament Parents,

The Celebration of Reconciliation is an important act for the Catholic Christian. It is through the Catholic teachings that we encourage children to go to confession and to turn back to God after we have sinned. Father Wojciech along with other priests will be officiating the Celebration of Reconciliation so that your child can continue to grow spiritually and morally.

Please indicate below whether your child will be participating. May the Holy Spirit be with you, as you help guide your child to live as a child of God.
